Fall 2024 President's List

Approximately 1,170 lowa State University students have been recognized for outstanding academic achievement by being named to the Fall Semester 2024 President's List. This replaced the Top 2% transcript note.

Each semester the university issues a President's List made up of those students who have carried at least 24 credit hours of graded or S-F courses with a 4.00 grade-point average for their two most recent semesters of enrollment at Iowa State University (summer not considered).

Courses taken on a P-NP basis do not count as part of the 24-credit hour requirement.

No President's List is issued for summer session.

Approximately 1,170 lowa State University students have been recognized for outstanding academic achievement by being named to the Fall Semester 2024 President's List. This replaced the Top 2% transcript note.

Each semester the university issues a President's List made up of those students who have carried at least 24 credit hours of graded or S-F courses with a 4.00 grade-point average for their two most recent semesters of enrollment at lowa State University (summer not considered).

Courses taken on a P-NP basis do not count as part of the 24-credit hour requirement.

No President's List is issued for summer session.
